

La Cartier: Bay Black – Cartier (A.K.A.: “Champ”) has a substantial size, soft fine fiber, and is a fantastic mother.

Cartier’s Charm: Light Beige – Charm has the size and softness of her mother, with added density.

Funny Girl: Medium Fawn – Funny Girl is a full Peruvian. She has unique coloring on her face with hints of gray. Her fleece is amazingly dense with impressive length.

Sable’s Copper Penny: Medium Fawn – Penny is our “greeter.” She always needs to inspect you and whatever you are doing when you come into the barn. Beside her winning personality, she produces fleece with amazing character. Her fleece has won in two different spinning competitions (1st place, State of Texas Alpaca Ranchers Spin-off; 1st place, Carolina Alpaca Celebration Spin-off).

Blushing Diamond: Light Beige – Diamond has solid genetics and her fiber has desirable length and crimp. She is also a fantastic mother. She previously produced a cria by PHA Accoyo Bentley, named Diamond Continental who has spectacular fleece and the ribbons to prove it (1st place, MABA Spin-off and Highest Scoring in Color Group; 1st place, Hi-Plains Spin-off and Highest Scoring in Color Group; 1st place, Michigan Alpaca Breeders Show; 2nd place, AOBA Fleece Show).
